TOWN OF JAFFREY
1995 ANNUAL TOWN MEETING MINUTES

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 14th day of March, 1995 at nine o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the Town Officers and to act on other questions required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 18, 1995 at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by Official Ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectman - Three year term - Maureen A. Desmarais
Trustee of Trust Funds - Three year term - Edward J. Shea
Chief Engineer - One year term - John A. White
Library Trustees - Two for three year terms
- John J. Stone
- Elizabeth B. Shea

Recessed until March 18th, 1995, at 9:00 a.m.

The hour of 9:00 a.m. having arrived, the Town Moderator, Marc P. Tieger, reconvened the Annual Town Meeting of the Town of Jaffrey.

The Pledge of Allegiance was led by Johanna Morello and Amanda Stewart from Girl Scout Troop 202. After which the Moderator asked everyone to remain standing for a moment of reflection.

Mr. Tieger made note that Paul St. Pierre was available in the back of the gym to hand out genealogy worksheets to those who would like to have their genealogy in the next volume of the Jaffrey Town History.

Mr. Tieger also mentioned that the Jaffrey Womens League were selling refreshments, etc. And that the Jaffrey Police Dept. had a display table in the back of the gym.

Mr. Tieger went over the rules of the meeting. He also made mention that three non-residents had been recognized to speak and they were: Dick Hetrick, Carroll Carbonneau, and David Tower. And before the meeting the moderator was given three requests for secret ballot votes.

Mr. Tieger introduced the mike handlers: Christa and Henry Mo-

reau, Nate and Betsy Oswalt (later in the day John Field helped with the mikes) .

Mr. Tieger then introduced the Selectmen, Town Clerk, Bob Bussiere, Phil Cournoyer and Mark Bean (Mr. Cournoyer and Mr. Bean as Assistant Moderators) .

Mr. Robert Bussiere, Budget Committee Chairman, was recognized to speak. Mr. Bussiere read the following resolution:

"Whereas, Mr. Francis Chamberlain has served the Town of Jaffrey, with honor and dedication for 10 years, in the capacity of Town Treasurer and a member of the Budget Committee:

Now, Therefore, be it resolved in Town Meeting convened, that the Town of Jaffrey wishes to express its sincere gratitue, and that this expression of our thanks be made a part of the official record of this meeting;

And, be it further resolved that a copy of this resolution be presented to Mr. Francis Chamberlain."

The resolution was accepted by acclamation.

Selectman Peter Davis was then recognized. Mr. Davis then read the following resolution:

"Whereas, Mr. Robert Stephenson has served the Town of Jaffrey, with honor and dedication for six years, in the capacity of a member of the Historic District Commission;

Now, Therefore, be it resolved that the Town of Jaffrey wishes to express its sincere gratitude and appreciation and that this expression be made a part of the official record of this meeting;

And, be it further resolved that a copy of this resolution be presented to Mr. Robert Stephenson."

The resolution was accepted by acclamation.

Selectwoman Jeanne LaBrie was then recognized to speak.

Mrs. LaBrie the read the following resolution:

"Whereas, Mr. Orin Letourneau served the Town of Jaffrey, with honor and dedication for 50 years, in the capacity of founding member of the VFW Ambulance Service and as a member of the Jaffrey Fire Department;

Now, Therefore, be it resolved that the Town of Jaffrey wishes to express its sincere gratitude and appreciation posthumously, and that this expression of our thanks be made a part of the public record of this meeting;

And, be it further resolved that a copy of this resolution will be presented to the VFW Ambulance Service in Mr. Orin Letourneau's memory."

The resolution was accepted by acclamation.

Mr. Tieger read the results for Article 1.

(see above)

Art. 2. To see if the Town will vote to raise and appropriate the sum, not to exceed, of Five Million Dollars (\$5,000,000) for the purpose of designing and constructing improvements to the Jaffrey Wastewater Treatment Facility. These improvements will allow the Town to be in compliance with the Federal Clean Water Act as mandated by the U.S. Environmental Protection Agency. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. Consideration of the funding formula between the sewer users and the taxpayers will be brought to the 1996 Town Meeting. (Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Majority Required).

Selectman David Belletete moved to pass over this article because after the warrant was printed it came to the Board of Selectmen's attention that the wording in this article would not meet bonding approval, but when appropriate wording for this article is satisfactory for bonding approval the article will come before the town at a Special Town Meeting later this spring.

After some discussion, it was moved to vote to pass over the article.

The vote to pass over was passed by voice vote.

Art. 3. To see if the Town will vote to raise and appropriate the sum, not to exceed, of Four Hundred Thousand Dollars, (\$400,000) for the purpose of designing improvements to the Jaffrey Wastewater Treatment Facility. The design is required as part of a mandate from the U.S. Environmental Protection Agency. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply will all laws applicable to this project; and to authorize the Selectmen to issue, negotiate sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. (Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Majority Required.)

The article was moved and addressed by Selectwoman Jeanne LaBrie. Mrs. LaBrie briefly explained that the town has a July 1, 1995 deadline to have a signed contract and that the town is right now in a non-compliance status with the EPA.

After some lengthy discussion and debate it was moved to vote on the article.

The moderator instructed the assembly that this was to be a ballot vote and that they were to use ballot "A". The polls were opened at 10:23 and closed at 11:23, with the results being as follows:

Yes - 161 No - 126
The article was defeated.
(did not achieve 2/3rds majority)

Art. 4. To see if the Town will vote to raise and appropriate the sum of Three Million Nine Hundred Ninety Two Thousand Eight Hundred Twenty Two Dollars (\$3,992,822.00) for the purpose of defraying the cost of the Town's operating expenses for the year 1995. (Recommended by the Selectman and the Budget Committee).

Ted Shea, of the Budget Committee, moved the figure to read Three Million Nine Hundred Ninety Thousand Three Hundred Twenty Two Dollars (\$3,990,322.00). The reason being that there was a printing error, and that this is the actual amount.

This motion was seconded and discussion then began.

Roland Archambault moved to amend the figure to be Three Hundred Thirty Thousand (\$330,000) less then moved. His reasoning for the cut was that the town didn't need a Recreation Department, Town Manager, Engineer, or that recycling was worth the effort.

After a short discussion it was moved to vote on the amendment.

The amendment was defeated by voice vote.

A discussion then ensued about the article as it was motioned by Ted Shea.

The article passed by voice vote.

A motion then was made by Selectwoman Jeanne LaBrie to go out of article order and to move on Article 16 because Craig Goedecke who is to speak on behalf of the article has another engagement and to move on this article now would enable Mr. Goedecke the opportunity to be present when the article is presented and discussed.

It was passed by voice vote to take Article 16 at this point in the meeting.

Art. 16 Shall we adopt an exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$30,000. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years, In addition, the taxpayer must have a net income of not more than \$18,000, or if married, a combined net income of not more than \$20,000; and own net assets not in excess of \$30,000 excluding the value of the person's residence. This exemption will take effect in the 1995 tax year.

The article was moved and addressed by Selectwoman Jeanne LaBrie.

Craig Goedecke also addressed the article briefly.

After a short discussion, it was moved to vote on the article. The moderator then instructed the assembly that this was a ballot article and that the "B" ballot was to be used. The results were as follows:

Yes - 203 No - 78
The article passed.

The meeting then resumed normal article sequence.

Art. 5. To see if the Town will vote to ratify the collective bargaining agreement as agreed to between the Town of Jaffrey and AFSCME Local 2973, which includes employees from the Public Works Department. The cost items associated with this agreement total \$528,675, and this amount is included in Article 4. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman Peter Davis.

After some discussion, it was moved to vote the article.
The article passed by voice vote.

Art. 6. To see if the Town will vote to ratify the collective bargaining agreement as agreed to between the Town of Jaffrey and AFSCME Local 3657, which includes employees from the Police Department. The cost items associated with this agreement total \$382,316, and this amount is included in Article 4. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman Peter Davis.
The article passed by voice vote.

Art. 7. That all reports submitted by Town Officers be accepted as read.

The article was moved and addressed by Selectman David Belletete.
The article passed by voice vote.

Art. 8. To see if the Town will vote to authorize the Board of Selectmen at their discretion, pursuant to RSA 80:80, to dispose of property acquired by Tax Lien by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest and expenses or to sell said property at public auction after being advertised in a local newspaper for three successive weeks, or to otherwise dispose of said property as justice may require.

The article was moved and addressed by Selectman David Belletete.

After some discussion Maureen Desmarais moved that "or to dispose of said property as justice may require" be struck from Article 8. The amendment was seconded and discussion of the amendment to

the article then started. It was moved to vote on the amendment.
The amendment failed by voice vote.

It was then moved to vote on the article, as it had been presented by Selectman David Belletete.

The article passed by voice vote.

Art. 9. To see if the Town will vote to raise and appropriate the sum of Four Hundred Seventy Thousand Dollars (\$470,000) to purchase and renovate property from CFX Bank, Inc (known as their operations building), and to renovate the existing Town Office building and the Water Department building, and to authorize the use/transfer of \$200,000 from the 1994 fund balance towards that purpose, with the balance of \$270,000 to come from general taxation. The renovations would allow for the Town Office personnel to move to the CFX Building, the Police Station to move to the existing Town Office and the Recreation Department to move to the Water Department building. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectwoman Jeanne LaBrie. Mr. Ted Shea of the Facilities Committee also addressed the article.

After a lot of discussion it was moved to vote on the article.

The moderator then instructed the assembly that this was to be a ballot article and that ballot "C" was to be used. The results were as follows:

Yes - 223 No - 31
The article passed.

Art. 10 To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for the purpose of erecting and equipping a building to be used by the Recreation Department offices, with the building to be placed at Humiston Field. The building has been donated to the Town by Monadnock Business Ventures. (Submitted by Petition. Not Recommended by the Selectmen, Not Recommended by the Budget Committee).

The article was moved and addressed by the Director of Public Works, Floyd Roberts. Mr. Carrol Charbonneau, Director of Recreation Department, presented some plans and answered questions.

There was quite a bit of discussion and debate. The article was moved to vote. A standing vote was taken because the yeas and nays were quite equal, so the moderator called for a standing count, the results were as follows:

Yes - 109 No - 102
The article passed.

Art. 11. To see if the Town will vote to authorize the Select-

men to sell a piece of Town-owned property, both building and land, currently used by the Jaffrey Police Department and located at 15 River Street. The sale of the property will be conducted by a public auction, duly advertised, with sealed bids delivered to the Selectmen at a determined time. This article is contingent upon the approval of Article 9.

The article was moved and addressed by Selectman Peter Davis.

After much discussion and debate, the article was moved to vote.

The article was defeated by voice vote.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$127,000 to conduct a Town-wide property revaluation, and to authorize the withdrawal of \$92,000, and all accumulated interest from the capital reserve fund created for that purpose. The balance of \$35,000 is to come from general taxation. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman David Belletete.

The article passed by voice vote.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$88,000 to purchase a new loader for the Public Works Department. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman David Belletete.

After a short discussion, it was moved to vote on the article.

The article passed by voice vote.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$60,000 to be applied towards the replacement of the Fitch Road bridge. The total cost of the project will be \$300,000 with the State of New Hampshire paying the balance of \$240,000. The State of New Hampshire will oversee this project. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the bridge is completed. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman Peter Davis.

After some discussion it was moved by Maureen Desmarais to amend the article to use the word "repairing" instead of "replacement". A standing vote was taken to amend the article, the results were as follows:

Yes - 77 No - 86

The amendment was defeated.

It was then moved to vote on the article as it had been moved by Selectman Peter Davis.

The article passed by voice vote.

At this time the moderator, Marc P. Tieger, stepped down to let Assistant Moderator, Phil Cournoyer, moderate the next article.

Art. 15. To see if the Town will vote to amend its adoption of RSA 32, the Municipal Budget Act, specifically RSA 32:2, relating to the membership of the Budget Committee, and to vote to adopt RSA 32:3 to allow for the election of six (6) Budget Committee members-at-large. The adoption of this statute would commence with the 1996 Town Meeting, and would allow for the election of two (2) members for one year, two (2) members for two years, and two (2) members for three years. (Submitted by Petition).

The article was moved and addressed by Maureen Desmarais.

After a lot of discussion and debate it was moved to vote on the article.

The moderator instructed the assembly that this was to be a ballot vote and that ballot "D" was to be used. The results were as follows:

Yes - 34 No - 150
The article was defeated.

Art. 17. To see if the Town will vote to authorize the Selectmen, under RSA 31:95-b, to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a federal, state or other governmental agency, or a private source which becomes available during the year.

The article was moved and addressed by Selectwoman Jeanne LaBrie.

The article passed by voice vote.

Art. 18. To see if the Town will vote to authorize the Library Trustees, under RSA 202A:4-c, to apply for accept and expend, without further action by the Town Meeting, unanticipated money from a federal state or other governmental agency, or a private source which becomes available during the year.

The article was moved and addressed by Selectman David Belletete.

The article passed by voice vote.

Art. 19. To see if the Town will vote to authorize the Selectmen

to issue Tax Anticipation Notes upon the credit of the Town for the year 1995.

The article was moved and addressed by Selectman David Belletete.

The article passed by voice vote.

Art. 20. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) and to deposit said sum into the Trust Fund created for the long term maintenance needs of the Meeting House (Art. 17 on March 16, 1991). (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman Peter Davis.

The article passed by voice vote.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$35,000 to be used for capital improvements to the Jaffrey Meeting House. Said sum to be deposited into the Meeting House Trust Fund established by the Town in 1991. (Submitted by Petition. Not Recommended by the Selectmen and Not Recommended by the Budget Committee).

The article was read by the moderator and it was moved and seconded by residents in the meeting.

After some discussion it was moved to vote on the article.

The article passed by voice vote.

Art. 22. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the support of the Monadnock Community Day Care Center, a non-profit agency. (Submitted by Petition. Recommended by the Selectmen, Not Recommended by the Budget Committee).

The article was moved and addressed by Mrs. Margaret Bean.

After some discussion it was moved to vote on the article.

The article passed by voice vote.

Art. 23. To see if the Town will vote to raise and appropriate

the sum of Five Thousand Three Hundred Sixty-Eight Dollars (\$5,368) for Monadnock Family Services. (Submitted by Petition. Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Joseph Manning.

After a short discussion it was moved to vote on the article.

The article was passed by voice vote.

Art. 24. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to support the Veteran's of Foreign Wars Ambulance Service. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectwoman Jeanne LaBrie.

The article passed by voice vote.

Art. 25. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. (Submitted by Petition. Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Owen Houghton.

The article passed by voice vote.

Art. 26. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be used by the Town for Economic Development. The Selectmen established an Economic Development Council in 1994 to work towards expansion of business and industry in Jaffrey. (Recommended by the Selectmen and the Budget Committee).

The article was moved and addressed by Selectman Peter Davis.

After a short discussion it was moved to vote on the article.

The article passed by voice vote.

Art. 27. To see if the Town will vote to: 1.) adopt the provisions of RSA 162-G, entitled "Acquisition, Development and Disposal of Industrial Land and Facilities; and 2.) to establish an Industrial Development Authority under the provisions of RSA 162-G:15-a, with a nine (9) member board appointed by the Board of Selectmen.

The article was moved and addressed by Selectman Peter Davis.

After some discussion and debate it was moved to vote on the

article.

The moderator then instructed the assembly that this was to be a ballot vote and to use the "E" ballot. The results were as follows:

Yes - 72 No -58
The article passed.

Art. 28. To see if the Town will vote to authorize the Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

The article was moved and addressed by Selectwoman Jeanne LaBrie.

The article passed by voice vote.

At this time the moderator, Marc P.Tieger, stepped down as moderator for the next article; Mark Bean moderated the next article.

Art. 29. To see if the Town will vote to encourage the Chamber of Commerce to proceed with a "Riverwalk" intended to be donated to the Town. The Riverwalk will be built along the Contoocook River from the Main Street Bridge to the parking lot on Blake Street. Private funds will be used to construct the Riverwalk. The Town will then have the responsibility of the maintenance of the Riverwalk after its acceptance by the Town. This is a non-binding article and is placed on the warrant only to gain a sense from the Town on how the residents feel on this matter.

The article was moved and addressed by Selectman Peter Davis.

Barry Miller of the Chamber of Commerce gave a detailed presentation on plans of the "Riverwalk".

After a lot of discussion and debate, it was moved to vote on the article.

The article passed by voice vote.

Art. 30. To see if the Town will vote to authorize the Conservation Commission to purchase land currently owned by Gilford Transportation Company, and previously owned by Boston and Maine Railroad and known as the old railroad bed. The money used to purchase this land will be from private sources.

The article was moved and addressed by Bill Elliott, Chairman of the Conservation Commission.

After some discussion, it was moved to vote on the article.

The article passed by voice vote.

Art. 31. To see if the Town will vote to authorize the Board of

Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair or replacement of such equipment. The article was moved and addressed by Selectman Peter Davis.

After a short discussion, it was moved to vote on the article.

The article passed by voice vote.

Art. 32. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, to be voted on by Official Ballot:

1.) Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To amend Section IX - Major Residential Development, by deleting the criteria for a buffer area as spelled out in paragraph 9.5 (b), A., and replacing it with expanded options for an Entrance and Periphery for the MRD; and clarifying that the intent of the Minimum Threshold Test is an option for applicants wishing to earn density points, not a requirement for application.

Yes - 413 No - 403

2.) Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To amend Section V - Areas and Setbacks for Buildings, by allowing the Planning Board during Site Plan Review the option of reducing front and rear setbacks in the Industrial District (presently 100 feet and 50 feet respectively, but not to be less than 30 feet) in order to accommodate flexibility in the siting of parking areas and other facilities; and to provide for reasonable vegetation within the setback areas.

Yes - 551 No - 312

3.) Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To add a new Section XVII - Shoreland Protection Overlay District, which complies with the statewide legislation that establishes standards for subdivision, use and development of all land within 250 feet of public water bodies (RSA 483-B).

Yes - 631 No - 214

4.) Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To amend the Jaffrey Wetlands Conservation District Ordinance by deleting all references to public waters, referencing the Jaffrey Water Resources Management and Protection Plan as the source of identifying the relevant natural features, adding

the statement that any special exception approval does not exempt the applicant from compliance with NH Wetlands Board regulations, and adding definition for Wetland Frontage.

Yes - 547 No - 270

5.) Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To amend Section XI - Nonconforming Uses, by adding new language that distinguishes between uses, structures and lots; specifies provisions of expansion of either uses or structures, additions, alterations, replacement of structures; and eliminating the requirement that two nonconforming lots under single ownership are considered to be merged.

Yes -492 No - 311

6.) Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To amend Section XIV - Signs, by allowing free standing and vertically attached signs within 200 feet of the centerline of the traveled way to increase from 25 to 32 square feet and from 30 to 32 square feet, respectively, if either of these signs is set back more than 200 feet from the centerline, they may be increased to 48 square feet; to increase the size of directory signs from 30 to 32 square feet; by not allowing the advertising portion of a free standing sign to be higher than 15 feet, or the supporting structure to be higher than 17 feet above ground level; adding to the list of signs that do not require a permit "announcement-type" signs not to exceed 15 square feet, and restricting the number to two per business; amending the provision addressing signs for Home Occupations to make it consistent with Section IV, which limits a home occupation to a four square foot sign; and designating banners and streamers as temporary only those that exceed 15 square feet.

Yes - 439 No - 384

7.) Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To permit internally lighted signs in the General Business/Commercial and Industrial Districts.

Yes - 537 No - 324

8.) Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To allow the Planning Board to edit the Land Use Plan for grammar, spelling, syntax, duplications, format, and general readability.

Yes - 659 No - 172

Art. 33. To see if the Town will vote, by official ballot, to adopt an ordinance under the provisions of RSA 31:39 to prohibit:

1.) Any person to knowingly or intentionally be nude in a public place or in any other place that is readily visible to the public. It shall also be unlawful for any person or entity maintaining, owning, or operating any public place to operate and to knowingly, or with reason to know, permit or allow any person to appear nude in such public place;

2.) No employee of any person conducting public dances shall be unclothed or in such less than opaque and complete attire, costume or clothing so as to expose any human genitals, breasts or buttocks;

3.) No employee of any person conducting public dances shall mingle with patrons of such dances while nude or in such attire, costume or clothing as is described in section 2 above;

4.) No employee of any person conducting public dances shall encourage or knowingly permit any person upon the premises to touch, caress or fondle the genitals, breasts or buttocks of any other person;

5.) No employee of any person conducting public dances shall perform acts of or acts which simulate sexual acts or the touching of any person, nor shall any employee use any artificial devices or objects to depict sexual acts;

6.) No employee of any person conducting public dances shall conduct or participate in public dancing except upon a stage at least 18 inches above the immediate floor area and removed at least 6 feet from the nearest patron.

Yes - 650 No - 246

Art. 34. To take up any other business which may legally come before this meeting.

Having no other business at hand the meeting adjourned at 5:00 p.m. on March 18th, 1995.

Respectfully submitted,

Maria A. Chamberlain
Town Clerk

MINUTES OF SPECIAL TOWN MEETING
JUNE 19, 1995

The meeting was called to order at 9:00 a.m. by moderator Marc P. Tieger. The moderator asked the assembly to stand for the Pledge of Allegiance, as it was led by Boy Scouts: Nathan Bartlett and Greg Bennett. The moderator then asked the assembly to continue standing for a moment of silence. The moderator then began going over the ground rules for the meeting, and he then mentioned that certain people, who were not residents of the town, were being recognized to speak (they were: David Tower, David Hetrick, Ed Rushbrook, and Joe Brennan). At about this time the Moderator asked for a ten minute adjournment so that the line of people at the Checklist table could be checked through without missing or interrupting the meeting.

After the short adjournment the Moderator went over the ground rules again and recognized certain non-residents to speak, and motioned to wave the reading of the warrant (the warrant was posted in three public places - post office, library, and town offices, and that it was also published in a local newspaper).

Mr. Tieger then introduced the mic handlers: Nathan Oswalt and Andrew Cramb. The moderator then introduced the people on the risers: Jon Sistare (town manager), Board of Selectmen - Maureen Desmarais, Peter Davis, and David Belletete, Maria Chamberlain (town clerk), Robert Bussiere (chairman of the Budget Committee, and Phil Cournoyer (assistant moderator).

The moderator recognized Selectman David Belletete, in which he moved the following: "Article 1. To see if the Town will vote to raise and appropriate the sum, not to exceed , of Five Million Dollars (\$5,000,000) for the purpose of designing and constructing improvements to the Jaffrey Wastewater Treatment Facility, These improvements will allow the Town to be in compliance with the Federal Clean Water Act as mandated by the U.S. Environmental Protection Agency. The said sum is to be raised through the issuance of bonds or notes under and in Compliance with the provisions of the Municipal Finance Act NH RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or otheraid, if any, which may become available for said project and to comply with all laws applicable to this project; and, to authorize the Selectmen to issue, negotiate, sell and deliversaid bonds and notes, to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. At the completion of this project, an warrant article will be brought to a future Town Meeting to vote to rescind any unused portion of this bond. (Recommended by the Selectmen and the Budget Committee). 2/3 ballot majority required." The motion was seconded and Mr. Belletete then addressed this article. Mr. Belletete explained that we need the approval of the article for two reasons: to save the town money by being able to apply for grant money that is available now from FHMA and to also comply with NHDES (New Hampshire

Department of Environmental Services) so that we can get an extension on deadlines that they have set for the Town of Jaffreys' Wastewater Treatment Facility. If we don't approve this article we need Article 2 to be approved or we will not get extensions on the Towns' deadlines.

Town Manager, Jon Sistare was then recognized to speak. Mr. Sistare made note to every one of the pink colored handout that was on their chairs, this paper contained the different scenarios of what it would cost for a five million dollar project for the water/sewer users if the bonding was approved, not approved and what it would cost if a 75/25 split was between the water/sewer user and the taxpayer.

Selectwoman, Maureen Desmarais was then recognized to speak. Mrs. Desmarais spoke about how we have deadlines that have been extended so that an Inflow and Infiltration Study can be conducted so that it can be better determined what size of a Waste Water Treatment Facility the town will need. Mrs. Desmarais said that we should re-look at this in March 1997 when we have a complete Engineering Design. She also went on to say that she spoke to Susan Farber, administrative assistant at FHA, and she said that granting and monies are an "ify" thing. Mrs. Desmarais ask people to "not let money intimidate" their vote.

Chairman of the Budget Committee, Robert Bussiere was then recognized to speak. Mr. Bussiere said that the committee meet about this bond issue, as per law, and the committee unanimously endorses and recommends passage, and is in support of the administration.

Selectman David Belletete spoke again to make note that as Mrs. Desmarais recited the different date lines, that they will be extended pending approval of either this article or article number two, which is about raising and appropriating \$400,000 for a design study.

Selectwoman Maureen Desmarais spoke again to say that she personally endorses Article #2, so that we can have the extended deadlines.

The floor was then open for discussion.

After many comments, questions, answers, and debate, the polls were opened at 10:45 for one hour. The voters were instructed to use Ballot "A". The results were as follows:

Yes - 101 No - 270
The article was defeated.

It was then moved to go out of article order, and go to Article number four, due to the fact that it would be known how to further discuss articles two and three after number one was decided. The motion was seconded.

Selectman David Belletete moved to "pass over Article 4, take no action". A lively discussion ensued over whether to pass over. It was put to a vote, and the motion to pass over was defeated by voice vote.

It was then moved "Article 4. To see if the Town will vote, under the authority of NH RSA 231:43 and 231:45-a, to discontinue a portion of Harkness Road from its intersection with Bryant Road and running easterly for approximately 300 feet, as of August 1, 1995. A drainage easement running southerly under the road as well as under the property of David and Grace Gourd, and under property of the Village Improvement Society will be maintained by the State of New Hampshire. A description of the portion to be discontinued will be described in a survey to be recorded at the Registry of Deeds." The motion was seconded, and discussion of the article continued for sometime.

It was moved to vote, and per petition, it was upon by secret ballot, using the "B" ballot. The polls were open for a sufficient amount of time. The results were as follows:

Yes - 13 No - 257
The article was defeated.

The meeting then resumed proper article order.

Moderator, Marc Tieger read the following: "Article 2, To see if the Town will vote to raise and appropriate the sum, not to exceed, of Four Hundred Thousand Dollars (\$400,000) for the purpose of designing improvements to the Jaffrey Wastewater Treatment Facility. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. At the completion of this project, a warrant article will be brought to a future Town Meeting to vote to rescind any unused portion of this bond. (Recommended by the Selectmen and the Budget Committee. 2/3 ballot majority vote required)."

Selectman David Belletete moved and addressed the article. He said, basically, that the monies will be used for designing the Jaffrey Wastewater system, and will include conducting a Inflow and Infiltration Study (which does not mitigate any inflow and infiltration).

Selectwoman Maureen Desmarais reiterated that this article was important so that we can be in compliance with NHDES. She said that half of the money would be used for the Inflow and Infiltration Study.

Mr. Belletete spoke again to to say he missed one thing - that was to say that the total cost of this article was to be borne by the water/sewer users.

The floor was then opened for discussion. During the begining Robert Chamberlain presented an amended article, in which he read to the assembly. His article changed the amount being spent and it also included correcting the inflow and infiltration problems. The Towns' legal counsel was called upon, there was a brief moment of discussion between Mr. Chamberlain, Mr. Tieger, and Mr. Tower (Town counsel). Mr. Tower spoke to say that Mr. Chamberlains' amended article had two concerns, one was that its monetary amounts were different that what had been presented to the bond counsel when this article went before them for approval and the other concern was that the use of some of the money was going towards treating the problem with inflow and infiltration, were as, again, the scope of the article is changed in a way that is different from what the bond counsel was presented. Mr. Tower asked Mr. Chamberlain if he would like to withdraw his amended article, Mr. Chamberlain said that with respect to Mr. Towers' advice that he withdrew his amended article.

The meeting then went forward with more discussion and debate, and was put to a vote. It was advised that this was a ballot vote with ballot "C" to be used, the polls were declared open at 1:10 P.M. , for one hour. The results were as follows:

Yes - 146 No - 48

The article passed, (with the 2/3rds majority).

"Article 3. To see if the Town will vote to approve the following method for recovery of the capital costs associated with the improvements to the sewer system described in Article 1. etc..."

Selectman David Belletete moved to pass over Article 3, due to the defeat of Article 1. With no questions it was put to a vote.

The motion to pass over this article was passed by voice vote.

After the polls closed (for article 2) and the ballots were counted for said article, and with no other bussiness at hand the meeting was adjorned at 2:30 P.M.

Respectfully summitted,

Maria A. Chamberlain
Town Clerk

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED THE
PROVISIONS OF RSA 32:14 THROUGH 24

BUDGET OF THE TOWN

OF Jaffrey N.H.

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 19 96 to December 31, 19 96 or for Fiscal Year

From _____ 19 ____ to _____ 19 ____

IMPORTANT: Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended or not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address above.

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT
RSA 31:95 and 32:5

Budget Committee: (Please sign in ink)

BUDGET OF THE TOWN OF Jaffrey, N.H.						

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT**

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 12th of March, 1996 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 16th at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (by Official Ballot)

- Moderator - one person for two year term
- Selectmen - one person for three year term
- Town Clerk - one person for three year term
- Treasurer - one person for three year term
- Trustee of Trust Funds - one person for three year term
- Supervisor of the Checklist - one person for six year term
- Fire Department - one person for one year term
- Library Trustee - one person for three year term

Art. 2. To see if the Town will vote to raise and appropriate the sum, not to exceed, of One Million Dollars (\$1,000,000) for the purpose of the purchase of land and the construction of a District Courthouse, or the purchase of land and an existing building with necessary modifications to be made into a District Courthouse for the Jaffrey-Peterborough District Court. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds, and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto.

The Town of Jaffrey, through its Selectmen, will enter into an agreement with the State of New Hampshire for the use of this building. The terms of this agreement will allow the Town of Jaffrey to recover all expenses pertaining to the issuance of this bond and the continued operation of the building for as long as the Town owns the property. (Recommended by the Selectmen, Recommended by the Budget Committee. 2/3 Ballot Majority required).

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$3,824,582 (Three Million Eight Hundred Twenty Four Thousand Five Hundred Eighty Two Dollars)for the purpose of defraying the cost of the town’s operating expenses for the year 1996. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 4. To see if the Town will vote to ratify the collective bargaining agreement between the Town of Jaffrey and AFSCME Local 2973, which includes employees from the Public Works Department. The cost items associated with this agreement total \$518,510, and this amount is included in Article 3. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 5. To see if the Town will vote to ratify the collective bargaining agreement between the Town of Jaffrey and AFSCME Local 3657, which includes employees from the Police Department. The cost items associated with this agreement total \$411,599, and this amount is included in Article 3. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 6. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

Art. 7. To see if the Town will vote to establish a capital reserve fund under RSA 35 for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment, and to raise and appropriate the sum of \$25,000 to be deposited in said fund. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 8. To see if the Town will vote to authorize the Board of Selectmen at their discretion, pursuant to RSA 80:80, to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest and expenses or sell said property at public auction, or to otherwise dispose of property as justice may require.

Art. 9. To see if the Town will vote to authorize the Selectmen to sell a piece of town-owned property, both building and land located at 8 River Street, recently occupied by the Jaffrey Police Department and previous to that by the Jaffrey Fire Department. The sale of the property would be conducted through an advertisement and a request by the Selectmen for the proposed use of the property. The Selectmen would then have the authority to sell to the individual(s) who propose to use the building, which, in the opinion of the Selectmen, is in the best interest of Jaffrey and the downtown character.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$5,000 to support the VFW Ambulance Service. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the support of the Monadnock Community Day Care Center. Submitted by Petition. (Recommended by the

Selectmen. Recommended by the Budget Committee.)

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$5,423 to support Monadnock Family Services. Submitted by Petition. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. Submitted by Petition. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 14. To see if the Town will vote to authorize the Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Art. 15. To see if the Town will vote to authorize the Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair or replacement of such equipment.

Art. 16. To see if the Town will vote to authorize the Selectmen, under RSA 31:95-b, to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from federal, state or other governmental agencies, or a private source which becomes available during the year.

Art. 17. To see if the Town will vote to authorize the Library Trustees, under RSA 202A:4-c, to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from federal, state or other governmental agencies, or a private source which becomes available during the year.

Art. 18. To see if the Town will vote to authorize the Selectmen to issue Tax Anticipation Notes upon the credit of the Town for the year 1996.

Art. 19. To see if the Town will vote to create a Town Trust Fund, under RSA 31:19-a, for the purpose of the writing, copying and printing needs of the Town History Committee as it updates The History of the Town of Jaffrey, and to see if the Town will vote to raise and appropriate the sum of \$5,000 from general taxation to be deposited in said Trust. The Trust will be administered by the Trustees of Trust Funds. (Recommended by the Selectmen. Recommended by the Budget Committee.)

Art. 20. To see if the Town will vote to raise and appropriate the sum of \$500 to support the Cheshire County Mediation Program. The Mediation Program will provide services to any Jaffrey family requesting said services free of charge. Submitted by Petition. (Not Recommended by the Selectmen. Not Recommended by the Budget Committee.)

Art. 21. To see if the Town will vote to instruct the Board of Selectmen to rescind its action taken on April 3rd, 1995, denying more than two consecutive terms in office to members of appointive boards of the Town of Jaffrey. Submitted by Petition. (Note: This is a non-binding article as previous Town Meetings have given the authority of appointments to the Board of Selectmen).

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be deposited into the Meeting House Trust Fund established by the Town at its Annual Meeting on March 16, 1991. (Recommended by the Selectmen. Recommended by the Budget Committee).

Art. 23. To see if the Town will authorize the Selectmen to convey by Quitclaim Deed to H. Charles Royce, Jr., Ann L. Royce, Jennifer A. Royce and Hattie R. Letourneau, their heirs and assigns, as their interest may appear, all right, title and interest that the Town acquired from Bernard J. Keegan by deed to the Town of Jaffrey dated May 25, 1925, recorded in Volume 417, Page 183 of the Cheshire County Registry of Deeds, which concerned the Town's right to lay, operate and maintain a conduit or water main upon the premises formerly of said Keegan, now owned by said Royces and Letourneau situated on the northerly side of Mountain Road in the westerly part of Jaffrey; the purpose of this article is to comply with the terms and conditions of two documents, entitled, "Grant of Easement" to the Town of Jaffrey, one by the Royces dated 11/22/95, recorded in Volume 1542, Page 99 of the Cheshire County Registry of Deeds and one by Hattie R. Letourneau, dated 11/22/95, recorded in Volume 1542, Page 103 of the Cheshire County Registry of Deeds, whereby the Town obtained the right to lay, construct, maintain and operate a water pipeline from Mountain Road over the land of said Royces and Letourneau to Poole Reservoir; or take any other action relative thereto.

Art. 24. To see if the Town will vote to adopt Section 218 et. seq., of the Social Security Act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1,000.

Art. 25. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, to be voted on by Official Ballot:

1. Are you in favor of the adoption of Amendment #1 to the Land Use Plan which would require that land application of septage/sludge shall be subject to Site Plan Review by the Planning Board? (Submitted by the Board of Selectmen. Recommended by the Planning Board.)

2. Are you in favor of Amendment #2 to the Land Use Plan, as proposed by the Jaffrey Planning, as follows: "The Town of Jaffrey shall impose a one year moratorium on land application of septage/sludge, except for Class A materials?". (Recommended by the Planning Board).

3. Are you in favor of the adoption of Amendment #3, as proposed by the Planning Board, to remove from the Land Use Plan Section VII, Cluster Housing, Section VIII, Flexible Development, and Section IX, Major Residential Development (7 pages) and replace it with a new Cluster Ordinance (2 pages)? (Recommended by the Planning Board).

4. Are you in favor of the adoption of Amendment #4 to the Land Use Plan which would rezone from Rural to Industrial approximately 150 acres adjacent to the Old Sharon Road Industrial District? (Submitted by the Selectmen. Not Recommended by the Planning Board).

5. Are you in favor of Amendment #5 to the Land Use Plan, as proposed by the Planning Board, which would limit the time recreational vehicles may be placed on sites other than those associated with permanent residences or in vehicle parks or campgrounds? (Recommended by the Planning Board).

6. Are you in favor of Amendment #6 to the Land Use Plan, as proposed by the Planning Board, which would change the definition of the word "STREET" to be the same as the definition in the subdivision regulations? (Recommended by the Planning Board).

7. Are you in favor of Amendment #7 to the Land Use Plan, as proposed by the Planning Board, which would more easily enable the owner of two or more contiguous lots to merge them into one lot? (Recommended by the Planning Board).

8. Are you in favor of the adoption of Amendment #8 to the Land Use Plan, as proposed by the Planning Board, which says that in the event of a discrepancy between the verbal description of zoning districts (in the Land Use Plan) and the boundaries as shown on the zoning map of Jaffrey as prepared by Cartographic Associates, Inc, the zoning map will take precedence? (Recommended by the Planning Board).

Art. 26. To see if the Town will vote to adopt the following ordinance as proposed by the Selectmen:

WASTE TRANSFER STATION/RECYCLING CENTER ORDINANCE

I. PURPOSE

On August 30, 1989, the Jaffrey Board of Selectmen adopted the TOWN OF JAFFREY LANDFILL-RECYCLING ORDINANCE for the operation of its existing solid waste disposal facility. In November 1989, the Town received notification from the State of New Hampshire Department of Environmental Services (NHDES) that the landfill portion would have to be closed. The facility was then converted to a Transfer Station/Recycling Center solid waste disposal facility. The purpose of this ordinance is to replace the 1989 ordinance with one that more closely corresponds to the type of disposal facility that currently exists.

II. GENERAL INFORMATION

This ordinance is written pursuant to the authority of RSA 31:39 and RSA 147, and the facility will be operated in accordance with NHDES Waste Management Division SOLID WASTE RULES adopted on July 1, 1991. The Director of Public Works will be responsible for the overall operation of the facility and enforcement of this ordinance.

III. AUTHORIZED USERS

The facility is open to all Jaffrey residents and non-resident property owners. All users must obtain a permit sticker from the Town Clerk's Office, and proof of residency and/or property ownership will be required. The sticker will be displayed on the passenger (right) side of the user's vehicle in such a manner as to make it readily visible to the facility attendants. The stickers

will be renewed annually and will be available for sale no later than December 1st of the preceding year. Vehicles without stickers or with out of date stickers will not be allowed to use the facility.

Commercial and/or industrial businesses may, with the prior approval of the Public Works Director, dispose of recyclable materials and/or authorized burnable materials. The recyclable materials must be separated and handled in accordance with the Town's published guidelines. Non-recyclable waste must not be mixed in with recyclable materials. The facility attendants have the authority to refuse access to the facility if these guidelines are not followed.

IV. ACCEPTABLE WASTES

Only materials collected within the Town of Jaffrey shall be disposed of at the facility. Users are required to separate recyclable waste from non-recyclable waste. The recyclable materials will be further separated and handled in accordance with the Town's published guidelines. These guidelines will be reviewed and updated on an "as needed" basis, but at least annually, by the Director of Public Works no later than December 1st of each year. Facility attendants are authorized to inspect users' disposable waste and refuse access to the facility for those users not complying with the Town's published guidelines.

V. UNACCEPTABLE WASTES

The following items are specifically prohibited:

- A. Stumps, trees and limbs greater than 5 inches in diameter.
- B. Harmful, hazardous, toxic substances, or medical and veterinary wastes or as otherwise defined in the SOLID WASTE RULES.
- C. Sludge or septic waste.
- D. Any material the Director of Public Works and/or the facility attendants believe to be detrimental or hazardous to the facility, the attendants, or users of the facility.

VI. HOURS & DAYS OF OPERATION

The Director of Public Works is responsible for setting the hours and days of operation. A yearly calendar showing the hours and days of operation will be made available to the public no later than December 1st of the preceding year.

VII. MISCELLANEOUS

- A. Hunting is prohibited at the facility and/or on any adjoining Town-owned property.
- B. The discharge of firearms is prohibited at the facility and/or on any adjoining Town-owned property except by Town authorized personnel.
- C. Anyone entering the facility and/or adjoining Town-owned property without the approval of the Public Works Director or his/her designated representatives when the facility is closed to the public will be subject to possible trespassing charges.
- D. Recreational vehicles, such as but not limited to, snowmobiles, 4X4s, ATVs and dirt bikes are prohibited from the facility and/or adjoining Town-owned property at all times.
- E. "Dump picking" is prohibited at all times. A "Swap Shop" has been established for the purpose of making usable materials available to other persons rather than being disposed of as waste.

VIII. PENALTIES

A. RSA 149-M:13 II states, "A Town may make bylaws governing the facility and fixing reasonable rates for its use. Notwithstanding RSA 31:39, III, towns are authorized to levy civil penalties up to \$3,000.00 for each act of violating bylaws enacted pursuant to this paragraph. Notwithstanding any provision of laws, the district court shall have jurisdiction over any violation under this paragraph."

B. For minor infractions, such as not having a permit sticker or not separating recyclables, persons will receive a warning for the first violation. Any subsequent violation after having been warned will result in the person being refused access to the facility.

C. For more serious infractions, such as knowingly disposing of unacceptable wastes as defined in paragraph V, or knowingly violating the provisions of paragraph VII, A - D, will be subject to a fine of \$100.00 for the first violation. Any subsequent violation will result in a fine of up to \$3,000.00.

This ordinance becomes effective upon date of approval by the 1996 Jaffrey Town Meeting.

Art. 27. To see if the Town will vote to adopt the following revisions to the Code of the Town of Jaffrey:

1. CHAPTER 113 - "Bicycles"

Repeal section 113-1 through 113-4 and section 113-11

Amend section 113-12 - "Violations and Penalties" to read:

Any person violating any provision of this chapter may be fined not more than twenty-five dollars (\$25).

Add new section 113-14 - "Rules of the Road for Bicycles"

The rules for operating of bicycles in public ways or public property shall be as set forth in the New Hampshire Revised Statutes Annotated.

2. CHAPTER 185 - "Vehicles and Traffic"

Amend section 185-4 - "Violations and Penalties" to read:

Unless otherwise indicated, any person who violates this chapter shall be fined not more than twenty-five dollars (\$25). Such fine, if paid within forty-eight (48) hours of issuance of said summons, shall be in the amount of ten dollars (\$10). If not paid within forty-eight (48) hours, it shall be in the amount of fifteen dollars (\$15). If not paid within seven (7) days, said fine shall be in the amount of twenty-five dollars (\$25).

Add Article IV - "Non-motorized Vehicles"

Section 185-24 - "Sidewalks and Parking Areas"

Roller-blading, roller skating, in-line skating, skateboarding and the riding of scooters and any other similar non-motorized wheeled or unwheeled vehicles or devices for recreation or transportation may be ridden on all public sidewalks and parking areas in the Town of Jaffrey with the following exceptions:

Stratton Road from Main Street to Squantum Road/ Howard Hill Road;
Turnpike Road from Main Street to Post Office Entrance;
Peterborough Street from Main Street to Sunset Lane;
Webster Street from Peterborough Street to Oak Street;
Blake Street - entire length;
Blake Street - municipal parking lot;
Main Street from intersection of Peterborough Street, Turnpike Road, Stratton Road & Blake Street to Highland Avenue;
Memorial Drive from Main Street to North Street

including the Memorial Square Common;
All parking areas designated for the Town of Jaffrey
including, but not limited to, parking areas and walkways in front of the
Town Office Building, Police Department and all other Town
owned/Town leased parking areas;
School Street from River Street to Main Street & Charlonne Street from
River Street to Main Street;
River Street from Main Street to School Street.

Section 185-25 - "Shopping Plazas"

No person shall operate a non-motorized vehicle as described in 185-24
contrary to lawful posted restrictions, or in a manner contrary to this code
on privately owned property that is specifically posted by the
owner or lawful agent.

Section 185-26 - "Skateboards"

No skateboard will be operated upon the ways as previously listed in
section 185-24. For purposes of this ordinance "way" will be defined
pursuant to RSA 259:125.

Section 185-27 - "Exceptions"

In the foregoing areas where the riding of or use
of said vehicles or devices is prohibited, devices
used by the handicapped, baby carriages, hand
tools or hand equipment for delivery of goods,
tools or equipment in authorized use for con-
struction in the vicinity shall be permitted.
Notwithstanding the foregoing, no person shall
ride, propel or use any vehicle, device or equip-
ment in the Town of Jaffrey in such a manner as
to obstruct, endanger or interfere with any pedes-
trian.

Art. 28. To see if the Town will vote, under the provisions of RSA 231:157, to designate Gilson
Road in its entirety from Thorndike Pond Road to Dublin Road as a scenic road.

Art. 29. To take up any other business which may legally come before this meeting.

Given under our hands in the Town of Jaffrey, this 12th day of February, 1996.

David Belletete, Chairman

Peter Davis

Maureen Desmarais

REPORT OF THE SELECTMEN

1995, not unlike the previous few years, has been a busy one for the town. We are finally nearing the end of our mandated water system improvements. The tanks are completed at Poole and Bullet Ponds. The new lines have been installed along Turnpike Rd. and from Mountain Rd. to the Poole Reservoir Tank. The search for a third water source has been ongoing yet unsuccessful. The new line from the Prospect St. pump station to Highland Ave will be installed this Spring. Hopefully this project will be completed this year.

As the water project nears an end, the sewer improvement project begins. A special Town Meeting appropriated \$400,000 for the purpose of designing improvements to the Jaffrey Water Treatment Facility. We have at this point selected an engineering consultant, Dufresne and Henry, assembled a citizens committee to advise with the town and engineering consultants, and committed to have an inflow and infiltration study this Spring. The current timeline would have this project completed in 1999.

August of this year Emergency 911 went into effect. We are confident that all the inconveniences caused by adopting the 911 guidelines of road renaming and renumbering will be offset by the dividend of improved emergency response.

The last Town Meeting appropriated \$470,000 to purchase a building from CFX in which to relocate the town offices and to renovate the former Town Hall into a Police Station. The move was made to the new Office Building at the end of November. We are almost completely settled. The renovation of the old Town Hall to Police Station is almost complete. We expect the Police Dept. to move by the end of February.

We are still faced with the disposition of the former Police Station. This needs to be resolved this coming year.

We applied for a \$200,000 grant provided by the Office of State Planning to provide seed money for non-profit regional economic development organizations. This grant will be managed by Monadnock Business Ventures and will be used to assist existing area businesses with expansion.

We also applied for a \$250,000 Community Development Block Grant through the Office of State Planning. This is designated to go to Southwest Regional Community Services which will use the money to purchase distressed apartment housing in town to renovate the properties, to re-rent the properties and to manage them.

The Town Meeting appropriated \$60,000 as its contribution to the replacement of the Fitch Road bridge. The balance of the cost, \$240,000, provided by the States Bridge Fund. The new bridge is in the process of being engineered. It should be completed this summer.

We are in the process of a town-wide revaluation. The purpose of this is to rectify any imbalances of real estate value since the last valuation. The results of this should be ready by this Summer and will affect the tax year starting in April. However, any changes will not appear until the second tax billing. We fully expect, overall, commercial and industrial values to decrease considerably and residential values to stay nearly the same. This has been the case in other communities which have recently revalued their properties. Unfortunately, this, in effect, will make the tax rate go up.

With this in mind, we directed the Town Manager to craft, with his department heads, a budget without any increases. We applaud the Town Manager and all the department heads for their success in recent years of maintaining a flat town portion of the tax rate.

Finally, we would like to thank all the members of the Boards and the Committees who volunteer their efforts for the good of the community. We also would like to thank Jonathan Sistare and all the employees of the town. We appreciate their integrity and hard work.

Respectfully submitted,

David R. Belletete, Chair
Peter B. Davis
Maureen S. Desmarais

REPORT OF THE TOWN MANAGER

1995 began by finding the Town of Jaffrey with a number of projects underway or in the planning process. The water system project which began in 1994, continued in 1995 with the main emphasis now on the replacement of two water mains, one along Route 124 from the Fire Station running east, and another running from the Poole Reservoir down the mountainside to Route 124. If you recall, this project is funded through a loan/grant package from the Rural Development Administration (formerly the Farmer's Home Administration). The loan from the RCDA will be paid back by the users of the water system over the next 20 years. This project was due to a requirement from the EPA to either provide a filtration system if we wished to use surface water as our sources for the system, or to provide a system capable of meeting the needs of the town with groundwater sources.

The Town faces another EPA mandate on the sewer system. This requirement is to provide a higher level of treatment to the water which we discharge into the Contoocook River. Detailed technical studies are done to determine what level of treatment is required based upon the amount of waste which is generated by the users of the system, and the amount of water which flows past the discharge point. Our only unfortunate circumstance is that the flow level of the Contoocook River past the discharge point is relatively small, and therefore, our level of treatment needs to be high to prevent too many pollutants from entering the River. The 1995 Town Meeting turned down a bond article to raise \$5 million to begin the process of determining what system would need to be built by the Town to meet the requirements from the EPA. A Special Town Meeting was held in June to ask the same question as we had the potential to secure another grant of possibly \$1 million from the Rural Development Administration. Again, the article was defeated. However, another article to raise \$400,000 for the design of the potential system was passed. We then selected Dufresne-Henry Engineers to serve as our engineering firm for the design of this project. It is anticipated that this project will take a year or more to design. Then we will have to place another article on the warrant to raise the construction money.

Another article which was on the 1995 warrant dealt with the purchase of a building and the renovation of that building to serve as the new Town Office and the renovation of the previous Town Office to serve as the police station. This project got underway in October after some unfortunate delays. The new Town Office was ready for occupancy in November and we moved in on November 9th. The new Police Station will be ready for occupancy in January 1996. This project which solves the needs of two town facilities will be completed for less than \$500,000, did not affect the 1995 tax rate, and best of all, the project was completed without the need to borrow money to pay for the project! Also, we were able to find a new home for the Recreation Department at Humiston Field, a suitable location for the Department. This project was funded separately through a warrant article approved by the Town Meeting for \$17,000.

The town-wide property revaluation started in 1995. The Town hired a company called MMC, Inc. (which later changed its name to Vision Appraisal Technology). The process of data collection began in mid-summer and continues through this writing. Data collection simply means the gathering of all pertinent information relative to the assessment of all properties. The next step to be performed by the assessing company will be a market sales analysis, and then the company will use those data to assign values to properties in Jaffrey. The values are scheduled to be released to all property owners in May 1996. Property owners will then have a chance to review the assessment with the assessing company during a process called "Informal Hearings". Any data collection errors will be resolved at that time. The property owners next chance to appeal the assessment would be after the final tax bill is mailed in the Fall of 1996 through an abatement to the Board of Selectmen.

In the process of putting together the budget for 1996, we have kept in mind the potential impact of the revaluation on property owners, especially the residential property owner. We have held the net amount of taxes to be raised in 1996 for town operations to no more than was raised in 1995.

As with any report for the year, this job is made easier by the excellent work of the department heads and all the town employees. I appreciate all they do for the Town.

Respectfully Submitted

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the
Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Jaffrey as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

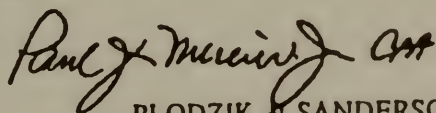

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Jaffrey has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Jaffrey, as of December 31, 1995, and the results of its operations and the cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Jaffrey. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated January 18, 1996 on our consideration of the Town of Jaffrey's internal control structure and a report dated January 18, 1996 on its compliance with laws and regulations.

REPORT OF THE JAFFREY PUBLIC LIBRARY

In early January the Trustees set our long range goals for the '95' calendar year which were as follows: repair to the handrails, harmless removal of the bats in the attic, landscaping, restoration of the front archway, continue preventative maintenance, and to oversee the working of our library to insure the best for its users. We are proud to announce that we feel that most of our goals have been met.

Many events have taken place through the year and we hope that you were able to partake in some of the following: the FILM program for youth which was held on Fridays from January through March, the HERB WORKSHOP sponsored by the Friends of the Library, or the "MAKE A LIVING" program sponsored by the New England Foundation for the Humanities Council in April and May. Also in April, during National Library Week, the "GREAT AMERICAN READ ALOUD" program was offered with a terrific response from those in attendance. Many thanks to all those who supported the Friends of the Library BOOK SALE. What a great time to pick up some reading material while supporting the Friends! Children in town were once again treated with the visit of the LITTLE RED WAGON and the SUMMER READING PROGRAM was enjoyed by all. In November, during National Children's Book Week, the ADOPT A STATE BOOK for \$15.00 was started to update our books in the children's department. If you haven't purchased a book for the library yet there is still time! STORY TIME has been a favorite for many children rounding off the year with a special visit from SANTA who read, sang and listened to special requests from many children and parents. The AMOS FORTUNE COLLECTION has been seen by many groups this past year.

Bats are still a problem for us in the attic even after several attempts to safely remove them failed. Suggestions are always welcomed. Our continued maintenance goal was reached by repainting the main room on the adult floor, the workroom, closets, Director's office, bathrooms and the hallways. Repair to the roof was made and will be continued in the months to come. The handrails were repaired and soon the archway will be restored thanks to a generous anonymous donation of \$5,000 which will almost pay for the entire project. Additional donations for completion of this project are needed.

We are very happy to announce that during the coming year we will be celebrating the 100th ANNIVERSARY of the library. Mark your July 4th calendar for the celebration which is in the planning stages with a very hard working committee co-chaired by Betty Shea and Helen Krause. We are in the technology age and very soon the library will be fully automated and the entire collection will be cataloged in a user friendly computer system making it easier to find material in our extensive collection.

As you can see this certainly has been a busy year for the library! To our dedicated staff, friends, supporters, donors, volunteers and everyone else who has given time and support to the Jaffrey Public Library, we say a very sincere THANK YOU. Without your support our continued success and service to the citizens of Jaffrey would not be possible.

Respectfully submitted,

The Jaffrey Public Library Trustees

REPORT OF THE ANIMAL CONTROL OFFICER

The Animal Control Officer followed up on 183 complaints during 1995.

As of January 1, 1996 the duties of the Animal Control Officer will be performed solely by the Police Department.

During the three years and nine months in which I have been the ACO I have enjoyed working with the people and animals of Jaffrey. Hakuna Matata.

Sincerely,

Bruce D. Feltus
Animal Control Officer

REPORT OF THE CHIEF OF POLICE

We at the Jaffrey Police Department take pride in our commitment to provide the most courteous and professional service possible to our community. The following is our Annual Report for 1995.

On behalf of the entire organization, I would like to take the opportunity to express our appreciation to the community for providing a new home for the Police Department in the former town hall. The new facility is one we can all take pride in for many years to come.

Our agency's resources were severely strained in 1995. Calls for service increased in excess of eight percent over last year. Juvenile problems continued to rise, this time exceeding twelve percent. Arrests increased nearly five percent. We experienced everything from counterfeiting to heroin dealers; at times it has literally overwhelmed us.

In an attempt to address the alarming increase in juvenile problems, we have reallocated our resources and instituted a youth aid officer. The youth aid officer has been well received by school officials and parents alike. It is our intent to face our juvenile problems head-on and be a driving force toward their resolution.

As always, the Jaffrey Police Department would like to express our appreciation to the citizens and members of the business community who have supported us throughout the year.

Respectfully submitted,

Gary A. Phillips
Chief of Police

CALLS FOR SERVICE....6563

REPORT OF THE DEPARTMENT OF PUBLIC WORKS

The Department of Public Works (DPW) is a consolidation of six separate functional "departments", each with its own budget. The largest segment is the Highway Department consisting of seven full-time personnel. Besides their normal duties, which range from snow treatment/removal in the winter to ditch/drainage/road maintenance work in the summer, the Highway Department supports the Water, Sewer and Cemeteries/Parks & Commons Departments, and other Town Departments by providing manpower and/or equipment for emergencies, special projects and burials. In addition, the Mechanic, who is funded under the Highway Department budget, performs maintenance on all Town vehicles/equipment regardless of department ownership.

The Water Department consists of two full-time employees who are responsible for the entire water distribution and treatment system for over 1400 customer accounts. Their normal duties include, but are not limited to, water service turn ons/turn offs, system repairs, reading meters, treatment system operation, hydrant maintenance and responding to emergencies.

The Sewer Department is primarily responsible for the continuous operation of the Wastewater Treatment Facility (WWTF) and accompanying sewage transportation system under very strict Federal and State requirements. Additionally, they are responsible for conducting the Industrial Pre-treatment Program (IPP), which is an EPA-approved program that monitors and regulates industrial use of the Town's sewage treatment system. Presently, there is one full-time person and one part-time person in the Department. However, the part-time position will be increased to a full-time position in 1996 due to heavier workload requirements resulting from increased regulatory demands.

The Cemeteries and Parks & Commons "Departments" are two separately budgeted activities that are manned by the same employees in a "50/50 split" relationship. There are two full-time employees, who are augmented by three seasonal full-time employees during the summer. These personnel are responsible for the full time maintenance of five Town-owned cemeteries and all the Town-owned parks and common areas. Additionally, they are responsible for assisting with burials and other support duties, such as setting up and taking down voting booths, chairs and tables for elections and Town Meetings. In 1995, the Department assisted with twenty full and/or cremation burials.

The Town's household solid waste disposal activities are handled through the Transfer Station/Recycling Center, which is manned by two full-time personnel who are assisted on an "as needed" basis by other DPW personnel. The Department has received numerous compliments from various State solid waste and recycling agencies regarding the facility's operation, and the facility was selected to host a State-sponsored training program in 1995.

The remainder of the Department's personnel consist of the General Foreman, who is in charge of the daily work schedule and overall maintenance/repair activities of the

Department, the Department Administrative Assistant, who handles all bookkeeping and customer service activities, and the Director, who is responsible for the overall operation of the Department and the Department's combined budget of approximately \$2 million. The Director also functions as the Town's primary point of contact with contractors, engineering firms and Federal and State agencies on Public Works related matters.

The Water System Improvement Project initiated in 1994 to enable the Town to comply with the Surface Water Treatment Rule of the Safe Drinking Water Act continued throughout 1995. In January, final work on the wells and booster pump station was completed and the Department prepared for the next phase, which was replacement of sections of old water mains on Turnpike Road and from Mountain Road to the Poole Reservoir Tank. While this work was nearing completion, preliminary site survey work for the next phase of the project, construction of a third well water source, was initiated. Work also progressed on the WWTF Upgrade Project. The Sand Filter and Solar Aquatics pilot projects initiated in 1994 were continued through May, while at the same time an intensive selection process to hire a consulting engineering firm for design of an Advanced Treatment was initiated.

Besides their normal duties, DPW personnel were involved with numerous in-house projects, which included replacement of water mains on Cross Street and a half mile section in the Contoocook Lake area of Rindge, construction of the new building for the Recreation Department at Humiston Field, installation of the irrigation system at Humiston Field, and construction of the Swap Shop at the Transfer Station/Recycling Center.

The annual Road Reconstruction/Shim & Seal Program included Lacy Road, which also corrected a dangerous intersection condition, Ingalls Road, Gilmore Pond Road near the beach, Fitzwilliam Road from Old Fitzwilliam Road to approximately Gap Mt. Road, Town Farm Road from Dean Farm Road to Lehtinen Road, and a portion of Squantum Road.

Department Capital Equipment purchases for 1995 included an Integrated Tool Carrier to replace a Highway Department loader, a 1-ton dump truck for Cemeteries/Park & Commons and a utility vehicle for the Water Department.

Respectfully submitted,

Floyd N. Roberts,
Public Works Director

REPORT OF THE BUILDING INSPECTOR/HEALTH OFFICER

1995 Quarterly Reports

81 Building Permits were issued during 1995 categorized as follows:

RESIDENTIAL	1st	2nd	3rd	4th	Total

Totals	7	16	33	25	81

The Building/Health Department followed up on 36 complaints.

Respectfully submitted,

Bruce D. Feltus
Building Inspector/Health Officer

REPORT OF THE PARKS & RECREATION DEPARTMENT

It is unfortunate that after 13 years, the Program Director position has been eliminated in the Jaffrey Parks and Recreation Department. As you will see, this is reflected in the subsequent participation report, and attendance and number of programs will continue to decrease for 1996. It is my hope that Jaffrey residents, organizations and businesses will continue to support community recreation services by volunteerism or becoming active in sponsorship and conducting these activities for our youth, senior citizens and residents.

Despite this, the recreational programs, activities and special events conducted for residents in 1995, continued to run smoothly. Our goals to provide quality programming and services to the community, organizations and residents, within our resources, were successful, as shown by maintaining significant attendance and accommodating a large demands for services.

THANKS...The Parks & Recreation Dept. wish to recognize all of the community organizations, merchants, industries, and businesses for their continued, unselfish support of recreation activities. We salute the literally hundreds of volunteers gave a most precious gift to our community and its people - TIME! We are proud and inspired by your dedication and sense of caring for the community. Major program and facility accomplishments are noted below.

1. The Parks & Recreation Dept. provided consulting, organizational and office support to several youth and adult sports and recreational organization, as well as coordinating and co-sponsoring events with other community organizations and school district related functions. For 1995, this totals about 1250 service-hours, representing 30% of the recreation staff's time spent supporting other organizations and agencies (excludes maintenance).
2. The creation of the Revenue Fund has given us some flexibility to become more creative with our programming, and financially successful in keeping costs competitive when providing our services.
3. The Jaffrey Friends of Recreation donated about \$5400 worth of program sponsorships and equipment purchases, while conducting their own activities (rollerskating) and supporting other agencies, in the amount of about \$1800.
4. The Bandstand Summer Concert Series, the Annual John Morgan 5-Mile Classic Road Race and Fun Run, Christmas and other holiday activities were once again, extremely well attended and ran smoothly.
5. The successful completion of the Humiston Field irrigation and drainage project will surely enhance the Town's recreation facility, and of course hats off to the Town crews who constructed the new Recreation Department offices and garage at Humiston Park.

Please make a difference in someone's life and in the community. Take time to volunteer! Nothing feels better then the satisfaction one receives from helping people. Take time to care about the natural resources right outside our door... lakes, mountains, parks, trails, facilities and open spaces. EXERCISE THE RIGHT CHOICE...be active by signing up for a recreation activity today! Please support us with our efforts to provide quality recreation activities and services in the Town of Jaffrey.

The 1995 summary of activity offerings, you will notice, has significantly decreased due to the layoff of the Program Director's position. The summary format gives participation figures and comparative percentages with 1994. We seek your input, suggestions and ideas, as well as volunteer assistance so we may continue to develop and execute a well-rounded slate of programs for Jaffrey residents.

RECREATION ATTENDANCE FIGURES FOR 1995

<u>PROGRAMS & ACTIVITIES</u>	<u>NUMBER OF PROGRAMS OFFERED</u>	<u>NUMBER OF PARTICIPANTS</u>

=====		
GRAND TOTAL for 1995	203 (-3.8%)	23,596 (-15.5%)

The Recreation Staff and Committee recognize the many challenges that lie ahead and will make every effort to provide quality activities to Jaffrey residents at minimum cost while remaining completely SELF-SUPPORTING for programs and activities, and despite budget cuts.

Respectfully submitted,

PARKS & RECREATION DEPARTMENT
Caroll J. Carbonneau, Director

REPORT OF THE OVERSEER OF PUBLIC WELFARE

The year 1995 showed a marked improvement over 1994. The efforts of the Economic Development Council began to pay dividends in not only revitalizing under used commercial/industrial space but also in creating new employment opportunities. The jobs created are of significant benefit in their proximity to the citizens of Jaffrey. One of the difficulties many unemployed have traditionally faced is transportation to and from work. Having opportunities close at hand has enhanced the ability of many to find gainful employment.

The only down side in 1995 was the inability of the Federal Government to enact a budget for 1996. Trapped in the process were funds for home heating fuel assistance. The only recourse for many was to turn to the Town for help. Fortunately because of the improvements in other areas the Town was able to absorb the increased demand without significant impact.

Looking ahead to 1996 the prospects for continued improvement are very promising. We must be somewhat guarded however because of the State's overhaul of the welfare system. Should the proposed changes perform as planned there will be no impact on local welfare spending. However the Town is ultimately charged with the responsibility of caring for those in need and we will need to carefully monitor what effects the new rules will have on our people.

Respectfully submitted,

Franklin W. Sterling, Jr.
Welfare Director

REPORT OF THE FIRE DEPARTMENT

In 1995 the Jaffrey Fire Department responded to 160 emergency calls. This represents a major increase in calls. There has not been an increase in any one type of call, so it is difficult for us to explain this increase. We hope this is not the trend of the future, however if that is the trend, we are prepared to deal with it.

With the increase in calls, the increase in demand for other Fire Department services and the continued training and maintenance requirements, the Fire Department has expended approximately 1000 labor hours over 1994. It should also be noted that Firefighters still do many hours of voluntary work on equipment, station, training and calls.

The Fire Department is again experiencing a slight shortage of Firefighters. However, we do not feel that it is serious at this time. We are fortunate to have a group of very good, dedicated Firefighters that are making up for this shortage. We have been and shall continue to recruit Firefighters.

In July of 1995 the State of New Hampshire completed and put into service Enhanced 911. We feel that it is working extremely well and is an excellent tool for the emergency services. We would like to encourage everyone to place proper numbering at all addresses. They are an important aid to the emergency services.

We are again recommending that the citizens of Jaffrey deposit \$25,000 in a capital reserve fund. This is to prepare for the eventual need of new fire apparatus or the need of major repairs to present apparatus.

We must again thank the Jaffrey Chamber of Commerce for their aid in purchasing new fire fighting equipment.

We want to thank the Firefighters of the Jaffrey Fire Co. for recently purchasing a new forestry pump (\$4,000) to replace a 35 year old pump that was no longer serviceable. We also want to thank them for their excellent service to the citizens of Jaffrey.

Respectfully submitted,

John A. White,
Fire Chief

Kevin Chamberlain,
Assistant Fire Chief

**REPORT OF THE
JAFFREY VFW MEMORIAL AMBULANCE SERVICE, INC.**

The following report was submitted by the Jaffrey VFW Memorial Ambulance Service, Inc. so the taxpayers of Jaffrey and Rindge could appreciate the savings in their budget from this free service. The ambulance service remains strong due to the generous donations and support from the townspeople of Jaffrey and Rindge as well as the dedication of the Emergency Medical Technicians on the squad. The EMT's affiliated with the Jaffrey VFW Memorial Ambulance Service, Inc. do not receive any compensation for their time, however, in this analysis the cost saving is calculated by using a compensation rate of \$7.00/hour, the average pay of a call firefighter.

REPORT OF THE PLANNING BOARD

Applications submitted to the Planning Board in 1995 included 6 site plan reviews, 6 subdivision proposals and 4 preliminary consultations.

During the year, the Board developed, adopted or prepared to present to the Town at Town Meeting, march 1996:

- driveway standards
- clarifications of the Town road standards
- cluster ordinance changes
- guidelines for the appropriate placement of travel trailers
- clarification of the boundaries of the various zones in town
- minor adjustments in the Land Use Plan to conform to new state law
- changes to the Land Use Plan and site plan regulations with respect to land application of municipal sludge and septage

Next year, in addition to consideration of applications, the Planning Board will review the Master Plan to ensure that its objectives remain relevant and timely.

Respectfully submitted,
Diane Schott, Chair

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment meets on the first Tuesday of each month whenever requests are made for Variances and/or Special Exceptions as provided by the terms of the Town of Jaffrey Land Use Plan. The Notice of Public Hearing is posted in two locations and mailed to each abutter and applicant. The request is presented by the applicant, abutters and other interested parties are given an opportunity to speak, and the Board schedules a site review before a decision is made.

In 1995 the Jaffrey Board of Adjustment received eight applications requesting twenty separate Variances and Special Exceptions. Seventeen of the requests were approved and three were denied.

Variances were requested in the following categories:

Variances -- Setbacks	9
Variances -- Sign Ordinance	3
Variances -- Sanitary Code	1
Variances -- Wetlands Ordinance	3
Special Exceptions	4

The Jaffrey Board of Adjustment invites and encourages interested parties to attend the Public Hearings. In some cases a variance request might have an affect on properties not abutting the applicant's property. Input from all parties is encouraged and appreciated.

Respectfully submitted,

Katherine E. Olson
Acting Chair

REPORT OF THE INDUSTRIAL DEVELOPMENT AUTHORITY

MISSION STATEMENT: To enhance the economic growth of Jaffrey's Industrial and Commercial base, thus creating local work opportunities for our citizens and increasing the property tax base - so as to less the tax burden on our citizens.

To the average citizen, the words 'industrial development' bring visions of smokestacks, factory lined highways, traffic jams and pollution. To the IDA it means helping local commercial, retail and manufacturing businesses expand to create additional jobs for local people. It means recruiting new businesses that will add modern facilities which increases taxable commercial and industrial facilities. The addition of a million dollars worth of new buildings adds \$34,000+ in tax revenue with minimum impact to infrastructure.

During 1995 the 'IDA Team' set a goal for full occupancy of Jaffrey's existing commercial and industrial space. We are now within 90% of that goal. Some successes are:

- New England Wood Products (previously a sawmill)
- Plumbpac (was Curtis Manufacturing)
- Monadnock Screen Plate (NHBB Drumlin Park building)
- Kimball Farms (formerly Addisons)
- Harbor Medical, Extrusion Technologies, Medefab (all housed in the old Route 124 NHBB building)
- Pelletier Sporting Goods (previously Park Place on Route 202)
- McDonalds (new)
- Wild World, Expansion of Rite Aid, Piscataqua Coffee Roasters, Say-it-with-Stitches, Bob's Solid Oak II, Shattuck Golf Course, EF Custom & Collision, and many more.

The IDA Team took a proactive approach to keep the District Court and NH Liquor Store in Jaffrey. It supported Community Development Block Grants that cover the establishment of a revolving loan fund for small businesses and the renovation of rental housing. While recognizing the need for new building, we recommended the expansion of the 'Industrial Zone' off Old Sharon Road. We asked the Selectmen to charge the Planning Board with zoning appropriate to our two local fireworks companies. Efforts on several projects were coordinated with Monadnock Business Ventures.

1995 was a year for education and learning! Joint meetings with the Planning Board and the Board of Selectmen were held. On March 25th we sponsored a public seminar to develop a marketing plan.

What's ahead? Start a marketing campaign to attract environmentally sound, small to medium sized businesses. We'll also recruit citizens that are willing to work on specific projects, surveys, or compile data. Volunteers are gladly accepted. We need all the help we can get.

Respectfully submitted,
Richard Olson, Chair

**REPORT OF THE
CONTOOCCOOK RIVER ADVISORY COMMITTEE**

In 1991, the Rivers Management and Protection Act was passed by our State legislature. This law established a two-tier approach with the State deciding which rivers to protect and how to manage the instream use of the rivers and the local towns deciding how to manage and protect the shorelines and adjacent lands. The Contoocook and North Branch Rivers were chosen for protection.

A Local Advisory Committee (LAC) has been set up with representatives nominated by the Selectmen and city council members of each of the 13 communities bordering the river. Jaffrey does not have a representative at this time and if you wish to become one please contact the Selectmen.

If you own property along the river or use the water as a source of recreation, we would like to know your opinion, positive or negative, about the present and future use of the river and abutting land.

REPORT OF THE CONSERVATION COMMISSION

The Jaffrey Conservation Commission (JCC) is an all volunteer advisory board appointed by the Selectmen and whose concerns are with the quality of air, water and the land in Jaffrey. We are celebrating our 23rd year as an organization, having been established in March of 1972.

The JCCs work, in part, is to act as the eyes and ears of the Department of Environmental Services, evaluating and making recommendations to DES and also informing the Selectmen of any concerns we might have.

This year the JCC has been relatively inactive. One complaint was issued with DES as a dredge and fill violation occurred. The Commission once again helped to support the Monadnock Stewardship Program which is a program that gives young people job experience in our town and surrounding areas. We were able to support the program with the contribution of \$300. Seven Great Blue Heron nesting sites were found this year which produced 60 chicks.

Dale Charles was appointed to the board and Maureen Desmarais is the selectwoman representing the Selectmen Board. The JCC deposited \$10,000 in a 9 month CD and as a result the Conservation Fund has approximately \$14,000 in balance.

Respectfully,

Bill Elliott, Chair

REPORT OF THE HISTORIC DISTRICT COMMISSION

In 1995 the Jaffrey Historic District Commission held ten regular meetings. Two applications were received and both were approved. Application fees totaling \$10.00 were turned over to the town leaving a net expenditure of \$40.00 against the Commission's \$50.00 annual town appropriation.

The following officers were elected for 1995: Catherine L. Seiberling, Chairman; Margaret A. Johnson, Vice Chairman; and Sally J. Roberts, Secretary. Members include Christopher V. Bean (Planning Board representative), George H. Cox, Maureen Desmarais (Selectmen's representative), William M. Driscoll, Nancy Nelson (alternate) and Owen R. Houghton. One alternate seat is vacant.

The Commission continued its close and cooperative association with the Village Improvement Society through several on-going village maintenance projects including the installation of granite signposts for "Running Horse" road signs. The two organizations also worked with the Town of Jaffrey to resolve the on-going sidewalk issue in the district. ISTE grant funding will assist in this effort.

In September, Commission members met with representatives from the New Hampshire Division of Historical Resources (NH-DHR) to review and report on Jaffrey's Certified Local Government status. This important meeting provided a forum to exchange and update information necessary to the Federal grant and review process.

In October, grant money was awarded for a series of preservation projects to occur in Jaffrey in 1995-96. These projects include the organization of an important conference on "Preserving and Maintaining Historic New England Meetinghouses" and their associated architectural features (to take place at the Jaffrey Meetinghouse); an historic barn and agricultural building survey; a heritage tourism brochure for Jaffrey; and, a draft of design guidelines for the Jaffrey Historic District. Funding is provided by the Commission's sixth and seventh Certified Local Government grants from the National Park Service through the NH-DHR.

All residents are reminded that the Commission's regular monthly meeting is the first Thursday of each month at 7:30 PM (November-April at the Jaffrey Town Office Building, May-October at the Meeting House).

Respectfully submitted,

Catherine L. Seiberling, Chair

**REPORT OF THE
JAFFREY CENTER MEETING HOUSE COMMITTEE**

During the 1995 season the following activities were held in the Meeting House:

The Monadnock Music held 5 concerts.
The Amos Fortune Forum had 7 lectures.
Andy's Summer Playhouse presented 1 play.
First Church Fair was held for 1 day plus preparations.
Conant High presented their Shakespeare Festival.
The Thorndike Pond Association had their Annual Meeting.
The N. H. Department of Tourism had a meeting.
The Historic District Commission held 4 meetings.
There were 4 weddings performed.

A complete new roof was installed using cedar shingles plus the removal of two chimneys to the roof line for a total of \$18,710. Additionally, new stair treads were installed in the belfry to improve access to the clock, an Acrylic roof was applied to the belfry roof and other miscellaneous repairs were completed at a cost of \$2380.

As passed at last year's Town Meeting, Article 21, which included painting the exterior of the Meeting House. This was not completed in 1995 but will be completed in 1996. The amount was deposited in the Meeting House Trust Fund.

Respectfully submitted,

The Meeting House Committee
Peter B. Davis
Mary R. Payson
George H. Cox

**REPORT OF THE
MONADNOCK ADVISORY COMMISSION
TO THE TOWNS OF:
JAFFREY, DUBLIN, MARLBOROUGH
TROY, AND FITZWILLIAM**

The Monadnock Advisory Commission is charged by the State of New Hampshire under R.S.A. 258:1 to advise and guide the Department of Resources and Economic Development on management of their lands and leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The lands are located on Mt. Monadnock, Gap Mountain, and Little Monadnock Mountain.

During 1994 the Commission held public meetings in Jaffrey and Troy. In 1995 the Commission will hold meetings in other member towns. The staffing of the Old Toll Road area in Jaffrey by the Division of Parks and Recreation has been very successful after a full year of operation. The Commission continues to work with the State of New Hampshire to make the use of these unique highlands a pleasant recreational experience.

The public is encouraged to contact their Commission members with suggestions and comments.

Members of the Monadnock Advisory Commission are:

Jaffrey:	H. Charles Royce, Peter B. Davis
Dublin:	Betsey Harris, Dennis Lerner
Marlboro:	James Everard, Ernie Linders
Troy:	David Adams, Ira Gavrin
Fitzwilliam:	Daniel J. Leary, Thomas F. Parker

Respectfully submitted,

H. Charles Royce
Chairman
